Moving Pictures**Strand.**

In these days of widely-heralded all-star motion picture casts that so often fail to materialize on the screen, it is a relief to find a picture like "Everywoman," showing at the Strand theater all this week, and presenting an array of film favorites that has seldom been duplicated in one picture before. Violet Heming, the charming stage and screen player, has the leading role in this sumptuously produced version of Walter Browne's famous morality play. Theodore Roberts is Wraith, Vanda Hawley is Beauty, and Monte Blue is Love. Bebe Daniels was recruited from the ranks of comedy to play the role of Vice. Others in the company are Margaret Loomis, Mildred Bear-don, Raymond Hatton, Noah Berry, Irving Cummings, Charles Ogle and Tully Marshall.

Princess.

Mabel Normand, the rampish little Golden comedy star, will appear at the Princess theater today only in her new picture, "Upstairs." The whimsical actress is seen as the mother of fancy ice creams in the cellar of a palatial hotel. She wears boy's togs, a rakish cap, and boots far too roomy for her tiny feet.

Majestic.

Wouldn't you think a dainty young actress like Edith Bennett would prefer light comedy roles to the highly emotional portrayals for which she is

called upon in some of her pictures? Miss Bennett is equally proficient in either type of photoplay and has done both, but she likes best the parts which make the greatest demands upon her emotions.

NOTED MINISTER DIES.

NEW YORK, Jan. 8.—The death was announced today of the Rev. Henry W. Edmund, one of the most widely known clergymen of the Swedish Methodist Episcopal church, and author of more than 200 of its hymns. He died of apoplexy at his home in Brooklyn, aged 71.

ASK \$100,000 TO KEEP THINGS DRY

The sum of \$100,000 will be asked of Memphis and Shelby county in the campaign for funds for the enforcement of prohibition laws which begins on Jan. 16 and ends on Jan. 23. The quota for the state of Tennessee is \$100,000. W. B. Bailey, chairman for Shelby county, will name his executive committee in the near future and the campaign will be conducted under the direction of this committee.

Other features for the campaign are being outlined and every effort will be made to secure the quota of \$100,000 within the time allotted. The date of the opening of the drive marks the advent of the eighteenth constitutional amendment, which becomes effective on that date. The national campaign is for \$25,000,000 and the money is to be devoted to the enforcement of all laws concerning prohibition.
